Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Monday 07 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly settled this week, warm by day with little rain.

This Evening and Tonight:
Any remaining showers will soon clear this evening, then dry and largely clear with some patchy low cloud over the western hills later in the night. Chilly towards dawn in rural areas, with a chance of mist in places. Minimum temperature 6 deg C (43 deg F).

Tuesday:
A warm and largely fine day on Tuesday with plenty of sunshine. Cloud may increase over western hills during the afternoon, but it should remain mostly dry with light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Remaining warm through this period. Cloudier and breezier than recently, especially further west, with the odd spot of rain at times, but some bright spells still likely in the east.
